Reporting Success...

This season we have three teams who have reached their **cup semi-finals**. The semis are on the following dates:

- 1 March - Girls Under 10 home (Valley) to Sheffield Rangers
- 2 March - Boys Under 15 home (Farr Park) to Herringthorpe
- 9 March - Boys Under 10 home (Valley) to Dronfield Rangers

If you get a chance get down and give them some vocal support.

And at the time of writing we have six teams in top three positions and fighting for possible league wins, so good luck to the Boys Under 9s, 10s, 11s, 12s, 18s and the Girls Under 10s.

Fun Day...

We are pleased to announce that the Club will celebrate the Season's successes by holding a **fun day** at Worksop Rugby Club, Stubbings Lane, on **Saturday the 7th of June**. There will be lots to do and a splendid time is guaranteed for all. More details will be announced nearer the time. Anyone who would like to help run activities on the day should contact their Team Managers.

Annual General Meeting...

The Club's Annual General Meeting will be held at the Horseshoe Pub on Kilton Hill on Sunday 11 May starting at 6 pm. The meeting will receive reports on the Club's activities, the Club's finances and shall elect or re-elect the members of the Club Committee. All parents or guardians of registered players are welcome to attend the AGM. Anyone who wishes to raise any business at the AGM should submit a request in writing to the Club Secretary Gary Slater, no later than 21 days before the meeting.

Valley Fields ...

Anyone training or playing at Valley fields should be parking in the leisure centre car park across the road. We have had complaints about parking on double yellow lines and the biggest risk is to our players. Please don't risk our future use of the fields.

Because of the re-development of the Valley School and Leisure facility, the playing fields are going to be resurfaced. We believe that the fields will close on Friday 14th March and almost certainly be out of use for one full playing season. We will make other arrangements for playing fixtures and training, so please check with your team managers to find out how this will affect you.
